Eric Shanower : Oz Omnibus before purchasing it in order to gage whether or not it would be worth my time, and all praised Oz Omnibus:

By Kt Mae I love this series! the drawings are so beautiful and to have them all nicely stored in a hardbound book is perfect. I leave this sit out on my coffee table. It is perfect for any age and every age can enjoy the series. The book came nicely sealed and tightly protected so all corners were kept in perfect condition. I would recommend this to everyone. 0 of 0 people found the following review helpful. A fantastic adaptation of L. Frank Baum's Oz series. By Kevin Nguyen A fantastic adaptation of L. Frank

Baum's Oz stories (six books, I believe) by writer Eric Shanower and artist Skottie Young. It captures the charm and wonder of the world of Oz while being presented with the vibrant color that Young is famous for. If you can get your hands on the Oz Omnibus, you are doing yourself a big favor. 8 of 8 people found the following review helpful. Five Stars
