The goblins from Paizo's Pathfinder RPG are pint-sized psychopaths, wreaking havoc across the land. Infamous for their unpredictable attacks, catchy raiding songs, hatred of dogs, and fear of horses, goblins blend mischief and murderousness like no other monsters. Collecting the entire Goblins comic book series, this fantastic collection

includes an exclusive, eight-page bonus short story, as well as an extensive gallery of all cover illustrations and more than 20-pages of official Pathfinder Chronicles with world and character details.
