**Jim Zub : Pathfinder Volume 2: Of Tooth and Claw** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pathfinder Volume 2: Of Tooth and Claw:

0 of 0 people found the following review helpful. SuperbBy Shamanie PI've never really been into comics. I'm 40. But all of these Pathfinder series issues have: continuity, excellent artwork, and storytelling that brings me back to something I needed, respite from the madness. Well thought and implemented storytelling. Characters; flawed and discarded, brings a depth often lacking in the genre. I've bought every issue I could find. I have an insatiable appetite now. All are consistently greatWell done you guys.0 of 0 people found the following review helpful. Received in excellent condition. Great follow-up to Vol 1By Carson HinesReceived in excellent condition. Great follow-up to Vol 1. The extra material when combined with volume 1 is a great start to a campaign. The art work is great and story is very well put together.0 of 0 people found the following review helpful. Second volume, ever more expanding history of interesting characters ...By DevSecond volume, ever more expanding history of interesting characters. Same as first book additional Pen and Paper in the back of the book.

When Valeros and his companions are tasked with tracking down a mysterious beast scarring the locals of Sandpoint, they find far more than they bargained for! A seemingly simple monster hunt becomes a twisted tale of danger and betrayal as the Cult of Lamashtu exacts its revenge on our iconic heroes. With an action-packed story written by Jim Zub (Samurai Jack, Skullkickers) and lavish artwork by newcomers Sean Izaakse and Ivan Anaya, this second volume continues the thrilling adventures of the Pathfinder heroes in the richly envisioned fantasy world of Golarion. Bonus materials include over thirty-pages of encounters and world detail for the Pathfinder Roleplaying Game, and a brand-new poster map.
