**Kate Leth : Patsy Walker, A.K.A. Hellcat! Vol. 1: Hooked On A Feline** before purchasing it in order to gage whether or not it would be worth my time, and all praised Patsy Walker, A.K.A. Hellcat! Vol. 1: Hooked On A Feline:

1 of 1 people found the following review helpful. Cuteness weaponizedBy Ian McKeeThis is not one of those really heavy books, where folks are miserable and the fate of the world rests on their actions. This is yet another of those slice of life books marvel seems to love putting their female heroes into. In this volume patsy gets a new apartment, is

issued a new gay best friend by the cliché foundation, and opens a new business. It's all very adorable, the art style is very colorful and relaxing. 2 of 2 people found the following review helpful. Pretty good  
By Sophie Lagace I enjoyed the whimsical writing, but I'm not so fond of the manga-style art. It's well done but it jars me out of the story. Nice cast and relationship s. 2 of 2 people found the following review helpful. Five Stars  
By D. R. B. Great comic, excellently written, drawn, and coloured. Very fun, and all-ages appropriate. Looking forward to reading more!

Patsy Walker has managed to escape her past, her enemies and Hell itself (literally) - but nothing compares to job hunting in New York City! Between trying to make rent and dodging bullets, Patsy barely has time to deal with her mother's exploitative romance comics about Patsy's past resurfacing, much less how they start to interfere with her work and dating life. As she goes from living a double life to a triple, what the hell is Patsy Walker supposed to do? There'll be friendship and burgers, monsters and rent checks and a ghost from the past with questionable motives! Comics' most flexible heroine has been a provisional Avenger, a Defender, Satan's daughter-in-law and a dead woman -but she's never been anything like this!
