Not the best for a Hellcat.By Michael B.The only reason that I gave this 3 stars is issues #11 and 12 have the Black Cat.The story lines in the other issues were terrible and the Hellcat art work was like looking at issues of "Richie Rich". This kindle edition also leaves you hanging because the final issue is #13 which is not in volume 2.0 of 0 people found the following review helpful. Five StarsBy christopher
