**Kate Leth : Patsy Walker, A.K.A. Hellcat! Vol. 3: Careless Whisker(s)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Patsy Walker, A.K.A. Hellcat! Vol. 3: Careless Whisker(s):

0 of 0 people found the following review helpful. The End! By The Encyclopedia Tromatica Regrettably, this is the final volume, collecting the last few issues of this very entertaining, exciting, and humorous series. And this is really the only drawback: There will be no more. Or at least no more of Patsy Walker, A.K.A. Hellcat. It is my hope that the characters will be back. I will not give any spoilers, but believe it is safe to reveal that not everybody, and perhaps not

anybody, dies; in the Marvel universe almost nobody ever dies permanently. So it is possible for all of the major characters to carry on. The characters are very well written, and drawn in a, well, comical way. The drawing style does take some getting used to, especially for we fans of the old title, "The Defenders". However, once one grows accustomed to this one can see the humor, and grow to appreciate and even enjoy the artwork. So my only regret is that there will probably never be a "Patsy Walker, A.K.A. Hellcat Vol. 4".

By Michelle Mirick  
This was such a great series to read. It was funny but also dealing with real life issues. Patsy is so interesting. I love that she gets stressed because she takes on too much. I love that sometimes she had problems opening up and sharing. But she is also so caring. She's such a great character who feels so real. I'm going to miss Patsy and the gang but I'm so happy to have read this series.

Hellcat has had nothing but bad luck ever since the Black Cat crossed her path. But now that Felicia's got a whole girl gang in her claws, how can Patsy possibly win this cat fight?! Especially with her best friend on the fence, and distracted by an old flame... COLLECTING: PATSY WALKER, A.K.A. HELLCAT! 13-17
