**Michel Rabagliati : Paul in the Country** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paul in the Country:

2 of 2 people found the following review helpful. A Great Beginning to Paul's JourneyBy Vesal StoakleyThis is a brief, hard to find book, that nonetheless captures the humanism and heart that are characteristic of the later Paul books. This book will touch you if you're lucky enough to have the chance to find and read it.

Stapled wraps, a bit bigger than a comic.
