Kids LOVE this book! Great size for reading in bed. Nice, thick pages. Glossy and bright illustrations... you really can't go wrong with Snoopy! Don't deprive the next generation of the classics. Inspiring fun to read (over and over and over, at our house). Well-made book, is holding up well, after being read repeatedly. Lots of chuckles. Snoopy is awesome!

My son loves this book! It is a story based on the Peanuts gang comics but written by a new group of writers. Very much in the feel of the older stories. Cute story.

A fun read to have in my classroom.

The Peanuts Gang is headed to outer space in an all-new original graphic novel! *The Beagle Has Landed*, Charlie Brown! Charlie Brown and the gang have got space on the brain and Snoopy leads the way as the World Famous Astronaut! While the kids play space, Snoopy has got troubles of his own with The Cat Next Door, who has taken Snoopy's supper-dish! Will our favorite beagle get his dish back in time for dinner or will he have to travel to the moon on an empty stomach? Fire the rockets and see what happens in this all-new original graphic novel featuring Charles M. Schulz's PEANUTS!

About the Author
Charles Schulz was an American cartoonist, whose comic strip PEANUTS proved one of the most popular and influential in the history of the medium, and is still widely reprinted on a daily basis. His PEANUTS strip ran from October 1950 to February 2000 and has been translated into 21 different languages in 75 countries.
