Kurtis J. Wiebe : Peter Panzerfaust Volume 3: Cry of the Wolf before purchasing it in order to gage whether or not it would be worth my time, and all praised Peter Panzerfaust Volume 3: Cry of the Wolf:

0 of 0 people found the following review helpful. A MUST!By Sam FettThis is one of my favorite comics these days. I used to teach Peter Pan and I love reading these looking for the connections. In this volume you will see Hook start to mess with Peter, find out who is Smee, and the croc will start to go after Hook. I love how each five volumes picks one of the surviving Lost Boys and he narrates the story along. This volume is told from Felix point of view. If you are

looking for something new to read move this series to the top of your list. 1 of 1 people found the following review helpful. AHHROOOOO!!!By M. BorchersAnother great installment with Peter and the Lost Boys. Image Comics keeps putting out great books and Peter Panzerfaust is no different. Great characters and suspenseful action combined with a unique setting will bring readers back for more.If you liked the first two installments, this one is a no brainer. 1 of 1 people found the following review helpful. Great!By Grayson GoldmanAmazing! Great story! So glad I started it :)

A coming of age tale told through the eyes of a group of French orphans during World War 2 who are saved by a brave and daring American boy named Peter. As they travel together, they get tangled up in the French Resistance in Paris, fighting a growing German presence under the leadership of a fanatical SS officer (The Hook) hell bent on wiping them out!In Volume 3, having faced the wrath of The Hook, Peter and the Lost Boys join forces with the Braves in guerilla warfare from their secret hideout in the Sticks. This time, Felix is the man with the memories, and as Mr. Parsons soon learns, he's not eager to revisit that life.Using the Peter Pan story as a touchstone, Peter Panzerfaust reinvents familiar character and plot elements in a unique and creative way.
