A coming of age tale told through the eyes of a group of French orphans during World War II who were saved by a

brave and daring American boy named Peter. As they travel together, they get tangled up in the French Resistance in Paris. A story of intrigue, love and heroism and a final goodbye to Peter Panzerfaust. Using the Peter Pan story as a touchstone, Peter Panzerfaust reinvents familiar character and plot elements in a unique and creative way. Collects issues 21-25.
