And so close to the ending! Oh, Im excited.The actual Jeanne dArc plot gets a new push in this volume, giving Jeanne a new look on who she is, and her powers. The romance between Maron and Chiaki heats up (but oh, I cant wait until the next volume!). Maron continues trying to

deal with Finns betrayal, and we get an extra chapter to see Finn and Accesss relationship, whom are just about as cute as Maron and Chiaki, really. Minazuki also finally does something about his feelings, and Im happy he finally gets to move on, the poor guy. The storyline is heating up! Maron gets to do something exciting soon, and I cant wait. A short review for this volume, but so much happens, and Im mostly just excited and in love. This is my favorite of Tanemuras series, and I cant wait to read the ending again. Its going to be so good! [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.] 0 of 0 people found the following review helpful. So far shes been able to evade the police on her midnight outings, but now another thief has come onto the scene Phantom Thief Sinbad and hes trying to take the paintings before she does! Maron has been betrayed by someone she loves and can no longer transform into Phantom Thief Jeanne. Rejecting the offer to join forces with the Demon Lord, Maron is sent back to the fifteenth century to save the source of her power Jeanne dArc!
