Astrid Lindgren, Ingrid Nyman : Pippi Won't Grow Up before purchasing it in order to gage whether or not it would be worth my time, and all praised Pippi Won't Grow Up:

0 of 0 people found the following review helpful. Too early to tellBy James J DervieBought it as a gift for Christmas.
0 of 0 people found the following review helpful. Five StarsBy Gabriele M.C.Funny, makes my grandchildren laugh.
0 of 1 people found the following review helpful. Super disappointedBy CarynWas excited to purchase this "comic book" style version of the stories for my niece and nephew who are big fans of the Pippi movie. But unfortunately I think the translation really misses the mark on this book. It almost reads like an awkward software language translation and it barely makes sense to an adult, let alone to a child.

"The stories are funny and mischievous and ahead of their time." USA Today, Best Comics of 2013The world's strongest girl, Pippi Longstocking, is back with a fresh set of funny problems and even funnier solutions. In Pippi Won't Grow Up, she takes on school quizzes, refuses to be evicted from her home, and brings Tommy and Annika to

visit the island where her father lives. Astrid Lindgren's expert storytelling and Ingrid Vang Nyman's vivid characters and bright colors make this eye-catching volume stand out.

From School Library JournalGr 14Lindgren's popular protagonist comes to life once again in this compilation of her comics, published in English for the first time. The book is organized in chapters with titles detailing Pippi's adventures. The spunky heroine continues to have superhuman strength that allows her to lift airborne humans and horses alike. The vignette from which this collection derives its name is the most charming of the 12 strips and highlights the essence of Pippi, a girl who believes in everlasting childhood and play. Young readers will enjoy Vang Nyman's lively illustrations, which depict Pippi's rambunctiousness, loyalty, independence, and spunk. Even her hair that takes on a life of its own. VERDICT A volume that introduces Pippi Longstocking to young readers with the spirit and energy that she merits.Lisa Gieskes, Richland County Public Library, Columbia, SC It's remarkable how universal the stories and art are. School Library JournalThese are fun, colorful comics that are perfect for elementary schoolage readers. Comic Book ResourcesRelying on bold blocks of color and bright, simple designs, the panels are midcentury children's art at its finest. The Paris About the AuthorAstrid Lindgren (19072002) was the creator of one of Sweden's most iconic fictional characters, Pippi Longstocking. The Pippi books have been translated into more than sixty languages. Ingrid Vang Nyman (19161959) was a noted Danish children's book illustrator, as well as the original illustrator of the Pippi chapter books.
