Makoto Yukimura : Planetes Omnibus Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Planetes Omnibus Volume 2:

3 of 3 people found the following review helpful. Wish there was a 3rd omnibusBy ChristoThis book was amazing and it was so good that when I was done it almost broke my heart. Yukimura tells a real story in great writing with the concepts laid bare. I would recommend this to anyone who loves manga, space exploration, comics, or literature.2 of 2 people found the following review helpful. Planetes For The VoyageBy William M. NealBeautiful end to the story if there is no more. But if it's just the end of the story arc, well bring it!! I'm ready for more. It's a grand mix of pathos and comedy.2 of 2 people found the following review helpful. Excellent translation and size for omnibus editionBy QoubatcyExcellent translation and size for omnibus edition, printed on thick quality paper with glossy color inserts;

although I have no idea why editing the name of the gas station if this publisher is trying to keep this manga as the author intended (?), easy to overlook though.

Mankind has established a base on the Moon and manned missions to Mars, and now prepares to travel further into space than ever before. Fulfilling his lifelong dream of space exploration, young Hachimaki makes the cut for the Von Braun Jupiter mission, forcing him to confront his own limitations beyond the farthest frontier. Back home, his compatriots Fee, Yuri, and Tanabe stare down the United States military, refusing to abandon their mission clearing space debris in the face of a war that threatens to set off the Kessler syndrome, trapping Earth forever behind a wall of deadly space debris! Often cited as a gateway title into the world of manga, *Planetes* is a modern classic, and Dark Horse Manga is proud to present the series' concluding omnibus volume, produced from the original files and including all the color pages and bonus stories!"My favorite sci-fi comics series of all time."-Writer Alex de Campi (Smoke/Ashes, Archie vs. Predator)

About the Author Makoto Yukimura is a Japanese manga artist. Yukimura made his debut in 2000 with the praised *Planetes*, serialized in Kodansha Weekly Morning magazine and adapted into a 26 episodes anime series by the studio Sunrise. Before that, he worked as an assistant for Shin Morimura. He is currently working on *Vinland Saga* which was first serialized in Weekly Shonen Magazine then moved to the monthly Afternoon magazine due to releases pacing issue. For this work he received the 2009 Japan Media Arts Festival Grand Prize in the manga category. In 2010, he was a guest of the Angoulême International Comics Festival. The author lives in Yokohama, Japan.
