**Walt Kelly : Pogo, Vol 10** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pogo, Vol 10:

I'm considerably younger than Pogo, I don't recall ever seeing this strip in the paper and what a shame that is! Young and old alike can laugh at this stuff. The political commentary never distracts from the fact that comic strips are supposed to be funny. It's hard to explain all the things that go on in ONE strip. Characters in the background are as much fun as the main story. So many good things to say about Pogo!

Walt Kelly's POGO, a satirical masterpiece commonly acknowledged as one of the three greatest comic strips ever published, is finally back in print in this series from Fantagraphics Books!
