Bud Sagendorf : Popeye Classics, Vol. 10: Moon Rocket and more before purchasing it in order to gauge whether or not it would be worth my time, and all praised Popeye Classics, Vol. 10: Moon Rocket and more:

Popeye the One-Eyed Sailor, his sweetie-patootie Olive Oyl, the conniving but lovable Wimpy, the "adorbs" lil rascal Swepea, the villainous Sea Hag and Bluto they're all here in these rollicking comics! Collects issues #45-49.

"Gloriously funny!" MTV "For any age group the same way as The Simpsons! The Lottery Party" Bud Sagendorf's Popeye was brilliant. The stories were as compelling and entertaining as anything on the stands at the time and we're talking about a period that encompassed Carl Barks' Uncle Scrooge, John Stanley's Little Lulu, and Shelly Mayer's Sugar and Spike." Mike Gold, Comic Mix About the Author Forrest "Bud" Sagendorf (1915-1994) wrote and drew

more Popeye comic strips and books than any other cartoonist and wrote and drew them better than all the other swabs! When Bud was just 17, his sister, who worked in an art supply store in Santa Monica, California, introduced him to a customer, E.C. Segar, the creator of Popeye. Bud began a long relationship with Segar who became his teacher, employer, and father figure. After Segar's passing, Bud produced comic books for 24 years, penned the daily strip, and drew art for licensing products.
