Bud Sagendorf : Popeye Classics Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Popeye Classics Volume 1:

I'm generally a bigger fan of Segar, I also appreciate Sagendorf's clean work. My only complaint is that I wish the book was in black and white. Sagendorf's beautiful lines are totally obscured by the old, crappy newspaper coloring.2 of 2 people found the following review helpful. the bestBy Kerry HuffmanAwesome book. Cool extras. A book that no Popeye fan should be without. Hopefully they continue with more volumes. Sagendorf did over 100 Popeye comic books, so would make a great collection.1 of 2 people found the following review helpful. Vibrant Stuff, HereBy Michael H. PriceCraig Yoe has plenty of what it takes to get Popeye the Sailor back where he belongs as a linchpin of the popular culture. Not that Popeye ever had gone away, but the character's truer image has faded in the glare of inferior representations of times more recent. This series recaptures (intact, without softening or Political Correctifying) the POPEYE comics of the postwar years, as interpreted by Bud

Sagendorf. Sagendorf, former assistant to originator E.C. Segar proves to have a real handle on Popeye in terms of mixed humor and belligerence, absurdity and plain common sense, and bizarre stream-of-consciousness narrative momentum. These books as beautifully packaged as the SEGAR POPEYE series, the colors are faithful to the comic-book originals, and the contents are as hilarious and bizarre as any kid (irrespective of age) could desire. Highest recommendations, especially for the stories featuring J.W. Wimpy and Swee'pea.

Re-presenting the classic Popeye comic book series that debuted in 1948 by Bud Sagendorf, the long-time assistant to creator E.C. Segar! Carefully reproduced from the original comic books and lovingly restored, Volume 1 contains issues #14, with stories such as "That's What I Yam," "Ghost Island," and "Dead Valley." Also includes all of Sagendorf's gloriously funny one-pagers.

About the AuthorForrest "Bud" Sagendorf(1915 1994) wrote and drew more Popeye comic strips and books than any other cartoonist and wrote and drew them better than all the other swabs! When Bud was just 17, his sister, who worked in an art supply store in Santa Monica, California, introduced him to a customer, E.C. Segar, the creator of Popeye. Bud began a long relationship with Segar who became his teacher, employer, and father figure. After Segar's passing, Bud produced comic books for 24 years, penned the daily strip, and drew art for licensing products.
