Jimmy Palmiotti, Geoff Johns : Power Girl: Power Trip before purchasing it in order to gauge whether or not it would be worth my time, and all praised Power Girl: Power Trip:

13 of 13 people found the following review helpful. Amanda Conner fan! By Rob DI had the JSA run of 1-4 already, but was missing some of the Amanda Conner Powergirls. Instead of getting the individual comics, I decided to get this compilation. Very nice collection! It is about the size of a graphic novel, but about twice the thickness since there are so many comic issues collected here. If you like Amanda Conner's artist style, as I do, I would say you'll probably

enjoy this! 1 of 1 people found the following review helpful. Best version of Power Girl By Rob WI love Amanda Connor's style of Power Girl. Amanda's is my hands-down favorite version of her, and to me this is the definitive Power Girl. Any other version of her look or personality doesn't feel right. I only wish Amanda did much more with the character, akin to how manga artists will have a long-running series of volumes and a single overarching story, I wish Amanda would do the same for Power Girl. (Although of course it will never happen due to the publishing style of American comics.) There is a new story with Power Girl and Harley Quinn, but the style is more in line with New 52, whereas I much prefer this older version instead. 0 of 0 people found the following review helpful. and I think it does a fairly good job of not pandering too much to either. By CCHat Man This one is interesting. Tries to walk the line between male fantasy and girl power, and I think it does a fairly good job of not pandering too much to either. Then again, my female friend took one look at the cover and made up her mind to give it a pass, so it's up to you to decide what your tolerance levels are. This book is pre new 52 just before the change over and despite the massive amount of universe that has come before it this story is a pretty good standalone read, focusing on characters that don't usually get as much time in the spotlight. Overall I'd say that if you like stories that are not too heavy, but still have some emotional punch; stories with humor and pretty solid action, and you don't mind a tiny bit of deus ex machina here and there, I would say you should give this a try.

The fan-favorite writing team of Jimmy Palmiotti and Justin Gray (JONAH HEX, TERRA) team with popular artist Amanda Conner (JSA CLASSIFIED, TERRA) for the rip-roaring solo adventures of Power Girl. She bursts from the pages of the JUSTICE SOCIETY OF AMERICA to star in her own series. Collects JSA: CLASSIFIED #1-4, POWER GIRL #1-12

About the Author Jimmy Palmiotti is a multi-award-winning comic book creator with a wide range of experience in advertising, production, editorial, film writing and production, media presentation, and video game development. He has created and co-created numerous series and characters, including The New West, THE MONOLITH, 21 DOWN, THE RESISTANCE, Gatecrasher, Beautiful Killer, Back to Brooklyn, The Tattered Man and Painkiller Jane. Currently he is co-writing DC's ALL-STAR WESTERN with Justin Gray.
