The best buddy team in comics, reunited at last! Luke Cage and Danny Rand, the Heroes For Hire turned Avengers, are going back to street level basics - and there's a mystery to solve that will draw in crime lords, hired goons and old friends! But which of the three pose the most trouble? When a villain gets her hands on the mystical Supersoul Stone, the Big Apple may end up poisoned by magic - unless Luke and Danny can put a stop to her plan. To find the stone, they'll wade through New York's seedy underworld in a flurry of big-hitting, kung fu-fighting action. This is one adventure that'll show that bromance ain't dead. Luke brings the power, Danny brings the fists - you bring the snacks! COLLECTING: Power Man and Iron Fist 1-5
