Heroes glide through the sky on lightning bolts and fire, alien creatures clash in epic battle - and on the dirty city streets below, homicide detectives Christian Walker and Deena Pilgrim do their jobs. The award-winning mash-up of cops and capes that's taken PlayStation Network by storm finally gets an omnibus edition - completely redesigned, reformatted and reworked! This collection brings together every issue of the first volume of POWERS in one beautiful collection, starting with the mysterious death of Retro Girl, a superhero roleplaying game gone deadly and a Powers groupie murder - and featuring all the characters and stories that eventually won the prestigious Eisner Award, and made creators Brian Michael Bendis and Michael Avon Oeming comic superstars! Also includes the POWERS strips, a gallery of unused art and covers, a key to the POWERS superstar cameos, interviews, Easter eggs and more. "Bendis is the funny-pages descendant of Sam Fuller, Martin Scorsese and Quentin Tarantino..." - Entertainment Weekly "The best writer in comics!" - Wizard Magazine "Bendis has rapidly become a true master of comic book creation!" - Comic Buyer's Guide COLLECTING: Powers (2000) 1-37
