American Academy of Family Physicians, American College of Sports Medicine, American Medical Society for Sports Medicine, American Academy of Pediatrics : PPE Preparticipation Physical Evaluation (AAP, PPE-Preparticipation Physical Evaluation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised PPE Preparticipation Physical Evaluation (AAP, PPE- Preparticipation Physical Evaluation):

0 of 0 people found the following review helpful. Five Stars By bjen Just as described. Fast shipping. 0 of 0 people found the following review helpful. Five Stars By Karen Textbook for my daughter 0 of 0 people found the following review helpful. Three Stars By Ace.V Good read.

Must-have resource guides health care professionals through the PPE process for young athletes from middle school through college. The explosive growth of children's athletics makes the preparticipation physical evaluation (PPE) an important part of many pediatric practices. The new 4th edition guides physicians through the PPE process for young athletes from middle school through college. Included are recommendations on PPE timing, setting, and structure; medical history questions; and how to determine participation clearance; lists return-to-play guidelines; addresses medicolegal and ethical concerns; and explores future research and use of electronic formats. Includes: History Form, Supplemental History Form, Physical Examination Form, Clearance Form. Contents: Goals and Objectives, Timing, Setting and Structure, Administrative, Ethical, and Legal Concerns, General Considerations of the History, Physical Examination, and Clearance Systems-Based Examinations, Cardiovascular Problems, Central Nervous System, General Medical, Pulmonary System, Gastrointestinal, Genitourinary, Dermatologic Conditions, Musculoskeletal, The Female Athlete, The Athlete with Special Needs, Research Considerations.

About the AuthorThe American Academy of Pediatrics is an organization of 66,000 primary care pediatricians, pediatric medical subspecialists and pediatric surgical specialists dedicated to the health, safety and well-being of infants, children, adolescents and young adults. The AAP is the largest pediatric publisher in the world, with a diverse list of resources that includes essential clinical and practice management titles and award-winning books for parents.
