Garth Ennis : Preacher Book Four before purchasing it in order to gage whether or not it would be worth my time, and all praised Preacher Book Four:

I read every single issue of this story within a matter of weeks, I could not get enough. The story follows Jesse, a preacher in Texas, who gets invoked with a spirit that may make him the most powerful being in existence. The characters are beautifully flawed, the themes of religion, right

and wrong, are mixed with Movie Westerns and Secret Societies. Once you start Preacher, you are in it for the whole 75 issues. You will be glad you went on this journey! The hardcovers are beautiful and a must-have for you to enjoy reading over and over again. 0 of 0 people found the following review helpful. Best Comic Ever Great New Edition By Chrysanne Brown DOES NOT GET ANY BETTER THAN PREACHER! Garth Ennis and Steve Dillon at their very BEST; the whole series is amazing and by far the best comic I've read! I first read this when it came out, and even bought the original graphic novels as they did too. But this set is worth buying the series again essentially for the third time. The colors are beautiful, the weight of the books feel perfect, and I love the feel of the pages. 0 of 0 people found the following review helpful. MORE GUN!!! By James B. Preacher book 4 is the most spectacular in the series thus far. Ennis brings all the major players in the story together for an epic throw-down that MUST be read to be believed. It also throws in a great flashback for Starr, easily the best backstory chapter in the whole series. Check. It. Out.

Writer Garth Ennis's violent, scabrous journey across America's religious landscape continues in this third volume. Preacher Jesse Custer's dark journey to find God, accompanied by his gun-toting girlfriend and Irish vampire buddy, continues in this third volume. During some down time, Jesse Custer faces an enemy from the past, who seeks vengeance for his father's death. Also includes a story spotlighting the Saint of Killers and a standalone tale starring Cassidy, the vampire. This volume collects PREACHER #34-40, PREACHER SPECIAL: ONE MAN'S WAR, PREACHER SPECIAL: THE GOOD OLD BOYS, PREACHER SPECIAL: THE STORY OF YOU-KNOW-WHO.

Praise for Garth Ennis and Steve Dillon's Preacher: "Just about the best thing to come along since comics started finding their way into books." The Washington Post "Features more blood and blasphemy than any mainstream comic in memory. Cool." Entertainment Weekly "The most intense adult comic in ages." Spin "It will restore your faith. In comics." The New York Daily News About the Author Irish-born writer Garth Ennis is the acclaimed author of the PREACHER graphic novel series, and also has written numerous JOHN CONSTANTINE -- HELLBLAZER graphic novels, as well as THE AUTHORITY, THE BOYS, WAR STORIES, PRIDE AND JOY and other titles.
