Garth Ennis : Preacher Book Three before purchasing it in order to gage whether or not it would be worth my time, and all praised Preacher Book Three:

8 of 8 people found the following review helpful. The Preacher continues in excellence.By Reviewer from TerraPreacher is my favorite vertigo title of all time. I don't even remember why I bought the first issue, but I'm glad I did. The story of Jesse Custer, girlfriend Tulip and friend vampire, Cassidy, it's the simple story of a man's search for

God. Not the spiritual way, but actual God. And that all I can say. Get it. Read it. It's not for everyone, and it helps if one has a warped sense of humor, but it's worth reading! Again and again and again. 1 of 1 people found the following review helpful. John Wayne, Psychotic Cowboys shooting at Satan, and inbreeding meets Davinci Code = good wholesome fun. By Sausyman I hadn't read this in a long time. It was good to experience this world again. On a digital format makes traveling for work a perk. Yeah I'm probably the late thirties guy in jeans and sport coat reading comics next to you in the terminal or on the flight. Comics... nope. GRAPHIC NOVELS. lol. Volume three I think has some of the most amazing story arcs in the preacher storyline, right there with volume 2. If you like the TV show, you love the first 3 volumes and see how tame that in your face show is compared to the 'Comic'. lol. And a great story line where Cassidy basically calls Anne Rice's vampire motive the twilight of the grunge generation (and so right) 1 of 1 people found the following review helpful. Ok By David Benzi A nice reading. It's a 90s comic and great if you were between 15 and 20 during that time. The story isn't great but you will get a lot of laughs. I recommend the tpb, the deluxe version is more expensive but you should buy it only if you already had read this and loved it. It's not even oversized

Preacher Jesse Custer continues his dark journey to find God, accompanied by his gun-toting girlfriend and Irish vampire buddy. In the continuing saga of the bizarre adventures of faithless Texas preacher Jesse Custer, Jesse, along with his girlfriend Tulip and their friend Cassidy, the Irish vampire, head down South in hopes of recovering from their encounter with the forces of the Grail. But during their planned downtime Jesse must face off against an enraged Arseface, who seeks to avenge his father's death, while Tulip deals with Cassidy's startling declaration of love for her. Also includes a special story spotlighting the Saint of Killers and the story of Cassidy's first and only encounter with his fellow vampires.

About the Author Garth Ennis has been writing comics for twenty years, initially for British titles like 2000 AD and Crisis, then for various American publishers. As well as PREACHER, his credits include HELLBLAZER, HITMAN, WAR STORY, ADVENTURES IN THE RIFLE BRIGADE, KEV, BATTLER BRITTON, The Boys, Battlefields, Dan Dare, 303, The Chronicles of Wormwood, Crossed, Streets of Glory, Dicks, The Punisher, Fury and The Pro. Originally hailing from Belfast, Northern Ireland, he now resides in New York City with his wife, Ruth.
