Garth Ennis : Preacher VOL 09: Alamo (Preacher (DC Comics)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Preacher VOL 09: Alamo (Preacher (DC Comics)):

0 of 0 people found the following review helpful. Wow!By Modern FossilRead all of the series in order, please. That

said, endings to a great series of anything, novels, stories, comics, TV shows, movie trilogies, anything, disappoint me 99 times out of 100. This may be the exception that proves the rule. Wow! This was entirely satisfying and did I mention? Wow! I was pumped for months afterward. And by the by, this is an ADULT graphic novel. 1 of 3 people found the following review helpful. A big explosive ending to a big explosive series By Arturo Ruiz It's been said before, but that won't stop me from saying it again: Preacher is the best. And once again, Garth Ennis plays us for the fools we are, and we love every minute of it. Preacher Jesse Custer's search for God -to make him pay, not to worship him- comes to an end and thus ends this saga. No loose ends are left, everyone gets what they deserve, and you'll love the ending. This is what they were thinking when they invented the word "closure." Sharp dialog, strong, believable characters, solid artwork. These are the things that make this book great. Buy it. Buy them all and learn what it is so great about Preacher. 0 of 2 people found the following review helpful. Fantastic Conclusion to One Hell of a Series. By B. Smith After a long haul the beloved Preacher series has finally come to an end. Many, myself included, had doubts regarding the quality of the ending after such a monumental series. I suspected that there was no way that it could end and do justice to the many issues and TPB's before it, but Garth Ennis came through with flying colors. While a few elements may seem a little too 'deus ex machina,' it's still a wonderful conclusion that remains true to the characters and the series. Who says there's no such thing as justice?

Preacher Vol. 9: Alamo
