Joshua Williamson, Joshua Mooneyham : Predator: Fire and Stone before purchasing it in order to gage whether or not it would be worth my time, and all praised Predator: Fire and Stone:

0 of 0 people found the following review helpful. Awesome.By CustomerI just love the Predator-Aliens-Prometheus graphic novels. The story and art are normally excellent and follow the mood of the better Predator movies. Fire and Stone is no exception and the best for this story series is the Predator section.0 of 0 people found the following review helpful.
