Various : Predator Omnibus Volume 1 (v. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Predator Omnibus Volume 1 (v. 1):

0 of 0 people found the following review helpful. GoodBy A. BournsIt's great for predator fan's but is a little underwhelming. Has some interesting characters and creative predator battles but doesn't show anything about the predators we don't already know, you don't see the predator home world or how predators interact with one another. I hope the sequel will show more.0 of 0 people found the following review helpful. Bought this already a couple of

times i just love the series and I'm a big Predator and Aliens ...By RisitiBought this already a couple of times i just love the series and I'm a big Predator and Aliens fan cant wait to get a hold of the rest of the volumes1 of 1 people found the following review helpful. It arrived in a good condition and the content was what i had hoped ...By CustomerIt arrived in a good condition and the content was what i had hoped for. Though having the same protagonist for the first few comics was a bit disappointing.

Dark Horse Comics set the comics industry on its ear with its comics expansion of the Predator mythos, a comics series so true to the spirit of the original 20th Century Fox film blockbuster that concepts from the first Predator comics series were incorporated into the Predator screen universe. Now, the three core Dark Horse Predator graphic novels-Concrete Jungle, Cold War, and Dark River-and several other chilling Predator tales, some never before reprinted, are collected together for the first time, in a value-priced, quality-format omnibus, featuring over 400 explosive story pages in full color. Written by screen and television scribe Mark Verheiden (The Mask, Battlestar Galactica) and comics legend Dan Barry and illustrated by Chris Warner, Ron Randall, Dan Barry, and others, Predator Omnibus Vol. 1 is an essential piece of the Predator mythos and a great entry point into the storied Dark Horse Predator library.The definitive comics collection of all things Predator starts here!
