Jane Austen : Pride and Prejudice (Illustrated Classics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pride and Prejudice (Illustrated Classics):

44 of 45 people found the following review helpful. Can you ever have too many copies of PP? By Bibliophile This book is just gorgeous! I already own a few copies of Pride and Prejudice so I didn't need another but this was too cute to pass up. It's a generous size, the colors are bold and bright and the illustrations are whimsical and fun. A great gift for any Jane Austen fan, even if she already owns a few copies ;) 17 of 17 people found the following review helpful. Translating a Classic... By HMS Warspite When a much-loved novel such as "Pride and Prejudice" is translated into another, more visual medium, the devoted Jane Austen fan cannot help but be nervous at the potential for mixed

results. The storyline, with its superb dialogue, is apt to be pruned and compressed, while readers may be reluctant to accept another's visualization of their favorite characters. This reviewer thinks Marvel Comic's adaption of "PP" can fairly be called a success. Writer Nancy Butler and artist Hugo Petrus capture the essentials of Miss Jane Austen's classic romance in graphic novel format. Inevitably, the storyline has been compressed, and the dialogue was been slightly modernized, but fans should have no problem recognizing the story of the Bennets, the Bingleys, and Mr. Darcy. The best of the dialogue has been preserved while those readers familiar with the 1995 BBC TV presentation or the 2005 movie version will recognize a somewhat similar visual presentation. "Pride Prejudice" the graphic novel is very highly recommended to those Jane Austen fans looking for a way to introduce their digital-age children or grandchildren to a classic romance novel in a form that is apt to hold their attention, and perhaps motivate them to read the original. 0 of 0 people found the following review helpful. My esteem evolved gradually By Kindle Customer I tried several times in my life to read this book but was always thwarted by the heavily "fortified" manner of expression that was true of that era. In most cases I will read the book before the movie. I must confess I was so enthralled by the movie version with Keira Knightley and Matthew Macfayden (I've watched it 30+ times), that I simply HAD to finish the book. As usual, the movie sequence did not follow the book exactly. But exact excerpts from the book mixed into the movie allowed my imagination to more easily visualize the emotions that Jane Austen wanted to make us feel. The beauty of Jane Austen's words live on in my heart and mind.

Seven Seas is pleased to present *Pride and Prejudice*, an all-new, illustrated edition of Jane Austen's most famous novel. Seven Seas is pleased to present *Pride and Prejudice*, an all-new, illustrated edition of Jane Austen's most famous novel, now brought to life in a unique way featuring manga-styled artwork that will appeal to readers and fans of all ages. Alongside Jane Austen's original, unadulterated text, this edition includes over 120 delightful black-and-white full-page illustrations, four color inserts, and gorgeous wrap-around cover art. Elizabeth Bennett is the second of five daughters in her tight-knit English family. When the wealthy and sociable bachelor Mr. Bingley moves into town, Elizabeth's Mother sees a fresh opportunity to find her daughters a respectable and supportive husband. Sharp-tongued and smart-witted, Elizabeth doesn't share her family's enthusiasm, a sentiment only furthered by the arrival of Mr. Bingley's incorrigible friend, Mr. Darcy.
