Woth Waiting ForBy CustomerHow long was the publication delayed for ?.. i dunno.. seems ages.. but the quality of the book can not be faulted and the Love the publishers have for the work is clearly evident from the cover page to the end page. .. and after all it is Forster at the (growing) heights of his art work and writing.All too soon the second World War would impose restrictions on the size of the strip and Forster would have to stick to the more conventional grid layout.With the long delay between order and fulfillment on

this book it makes me hesitate to order the next volume. I want to wait and see if it will come out on time.. still, whatever the case.. it will be well worth the wait.0 of 0 people found the following review helpful. Still Good after all these Years.By Michael T. SmithIt is Hal Foster's premier work, in my opinion, so that pretty much sums it up. I remember waiting for the Sunday morning paper just so I could read the next installment to this wonderful story. This particular volume is very impressive in terms of size, coloring and clarity. I am going to buy all the remaining volumes. I highly recommend this series to anyone that remembers and enjoys the Prince Valiant saga.0 of 0 people found the following review helpful. Art and History based Illustrated novel 1By Dreighton RosierVolumes 1 and 2 are excellent quality reproductions of this continuing novel with a new chapter every Sunday. Hal Foster put his heart and soul into developing the concept and creating new and fresh stories each Sunday. The Sunday stories are each a reasonable short story that is an integral part of the whole. The same thoughtful care was the standard when he found people who would continue the beauty, the story and the traditions.Anyone who would this a comic strip is preoccupied with the vehicle and sadly misses the beauty. I hope they will take some time to study at least one of the several books in this series as the art of painting and story telling that they find there.I have only started to collect the books but I have read the story longer than 60 years, and always look forward to a new gem every Sunday.

First Printing Sumer 1987, a like-new, unread, unworn, unopened, unmarked, oversized trade softcover, from Fantagraphics Books. By Harold (Hal) R. Foster. Approx. 9 3/4" X 13 1/4" X 1/8". ISBN 0-930193-19-9.
