Harold Foster, John Cullen Murphy : Prince Valiant Vol. 41: The King of Atheldag before purchasing it in order to gage whether or not it would be worth my time, and all praised Prince Valiant Vol. 41: The King of Atheldag:

Hal Foster's Prince Valiant, with its thrilling continuities of a knoble knight in the days of King Arthur, began in newspapers in 1937 and continues to this day. Fantagraphic's deluxe, full color library editions of Prince Valiant was intially intended to end with the 2000's Volume 40, the final volume in which Foster was the chief architect of the strip's visual look. Due to overwhelming demand, however, Fantagraphics is continuing the series, reprinting strips written and roughed-out by Foster and finished by Foster's prodigious assistant, John Cullen Murphy. Each volume of Prince Valiant features close to a year's worth of full-page Sunday strips. Volume 41 presents the "King of Atheldag,"

Cullen Murphy's first major story arc, reprinting from strips from 1971-72.
