Hal Foster, John C. Murphy : Prince Valiant, Vol. 43: Blood and Tears before purchasing it in order to gage whether or not it would be worth my time, and all praised Prince Valiant, Vol. 43: Blood and Tears:

0 of 0 people found the following review helpful. Excellent Prince ValiantBy Boris MalinRecently I had purchased Prince Valiant No43.I am very satisfied same as with the rest of Fantagraphic series.I am still missing few of the books which I am planning to purchase.The whole series is excellent, highly recommended to all Prince Valiant enthusiasts.

The greatest adventure epic since Beowulf continues in this full-color series. Hal Foster's Prince Valiant, about a noble knight in the days of King Arthur, began in newspapers in 1937 and continues to this day. It was Foster (1892-1982) who introduced illustrative techniques and the sensibilities and standards of such greats as Howard Pyle to the comics

page. Realistic depictions and sophisticated compositions had been curiously absent before him. Fantagraphics' deluxe, full-color library editions of Prince Valiant each feature close to a year's worth of full-page Sunday strips, with this volume collecting strips from 1973-1974, written and roughed-out by Foster and finished by Foster's prodigious assistant, John Cullen Murphy, who took over much of the strip in 1971 and continues with it today.
