These discoveries were not accidental they were very well formulated.0 of 0 people found the following review helpful. Good book and informationBy Yang

Cheng FuBob Flaws lays out easy to follow well researched information, he gives information on the theory and includes recipes for healing. I like everything I have been able to get from him and especially like his audio tape series which I have transfered to cd.0 of 0 people found the following review helpful. Chinese medicine and Healthy Weight ManagementBy kathleen vonderhofenThe contents of the book was well presented. The index was well done and easy to use. The concept was not presented for a novice.

Diet is one of the eight limbs of Chinese medicine, and may be used as a preventive measure as well as a therapy. This book is a laypersons guide to the intricate field of Chinese dietary therapy. The authors provide useful information on over 150 food substances, along with valuable advice on selecting a healthful diet. The numerous and inviting recipes are easy to prepare. There is an interesting section on making your own medicinal cordials and liqueurs.
