It continues to be good to see an expansion of Leia's character that is ...By Tahni JIt continues to be good to see an expansion of Leia's character that is removed from Han and Luke, and furthermore to see an expansion of the universe that includes more female characters and increased racial diversity. Awesome bonuses to a story line that is a worthy addition to the Star Wars universe. There is even an interesting moment involving a character from the prequel trilogy which worked very nicely: instead of being cheapened by the general not-goodness of the prequels the moment was beautiful and interesting -- even moving. I continue to look forward to seeing how the rest of the series unfolds0 of 0 people found the following review helpful. Four StarsBy Alpha2000Hi the star wars princess leia comic liking it good stuff,2 of 2 people found the following review helpful. Is the Force With This Comic?By Adam GrahamAfter a somewhat contrived first issue, the second issue really hits its stride as Princess Leia really begins her mission to rescue survivors of Alderaan from the clutches of the Empire. There's a very smartly written book with some great plot twists.
