**Susan C. Whiston : Principles and Applications of Assessment in Counseling** before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles and Applications of Assessment in Counseling:

0 of 0 people found the following review helpful. Great book! Easy to understand and practical.....Excellent!By Robert C PerryThis book made the class that required it much more interesting and easy to understand. It is one of those books that you keep for your professional library well after college has ended. The author did a great job making these concepts easy to understand and implement. Would recommend it for those in our field, excellent!1 of 1 people found the following review helpful. I used this book during my assessment class and it was easy to read and made things more interestingBy kccaysonWhiston's book was well written. I used this book during my assessment class and it was easy to read and made things more interesting. It has a lot of great information that students need.0 of 0 people found the following review helpful. Good readBy LaurieGood book

NOTE: Access Code is NOT INCLUDEDThis comprehensive introduction to assessment, created specifically for

counseling students, presents mathematical and statistical concepts in a simple and useful manner. The book stresses the importance of counselors being good consumers of assessment tools, and helps them avoid misusing tools in manners that may be harmful to clients. Updated throughout, **PRINCIPLES AND APPLICATIONS OF ASSESSMENT IN COUNSELING**, 5th Edition includes material on the DSM-5 and corresponds to the 2014 Standards for Educational and Psychological Testing as well as to the 2016 CACREP Standards. MindTap, an online learning experience built on the book's content, is available with the text. MindTap guides students through the course by combining readings, video examples and other multimedia, applied activities, and assessments into a singular Learning Path.

**About the Author** Susan Whiston is a professor at Indiana University in the Counseling Department. She is an active member of both ACA and APA and has published numerous journal articles.
