Michael Hubble, Johnsie Hubble : Principles of Advanced Trauma Care before purchasing it in order to gage whether or not it would be worth my time, and all praised Principles of Advanced Trauma Care:

0 of 0 people found the following review helpful. Five StarsBy tracy bentonAwesome!

This resource presents the most recent developments in emergency management of trauma. It begins with the principles of trauma care followed by field assessment and triage of the patient. Subsequent sections address treatment methods for field, emergency department, and special situations. Advanced life support skills are covered as well, including new procedures, techniques, and equipment. Chapters include field case studies and references to current literature sources in trauma management.
