**Seth B. Goldsmith : Principles of Health Care Management: Compliance Consumerism and Accountability in the 21st Century** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principles of Health Care Management: Compliance Consumerism and Accountability in the 21st Century:

Faced with strict government regulations and increasing service demands by consumers, health care providers find themselves accountable on both ends. This book considers the many outside forces influencing health care institutions.
