Richard Carlton, Joanne S. Greathouse, Arlene McKenna Adler : Principles of Radiographic Positioning and Procedures Pocket Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Principles of Radiographic Positioning and Procedures Pocket Guide:

The Principles of Radiographic Positioning and Procedures PocketGuide is a comprehensive and complete resource for radiography. It includes a quick reference to appropriate positioning procedures, radiation protection standards, and space for recording technical exposure factors, and a practical technique system guide. The guide provides the information necessary to remind the radiographer of the basic procedural details, typical technical considerations, and appropriate modifications for 165 common procedures.
