By useless Johnny Ryan is a national treasure. His work on Prison Pit is genius!!!!!! It is funny, irreverent, and graphically unmatched in originality. The only problem with the release of #5 is that it'll be another year till #6!!!!!! Stop reading this and BUY this whole series and tell your friends and family to buy it too. 0 of 0 people found the following review helpful. Johnny Ryan is the best! This book is the best! By Drew Friedman Johnny Ryan is the best! This book is the best! Everything is the best! Buy this book by Johnny, but Pronto!! Over and out.

In the latest installment of the satirically gory and macho graphic novel series, our hero Cannibal F**kFace still isn't dead, so the Prison Boss unleashes the Ho-Bros on him (possibly as a last resort); but first, C.F. must battle the only

person who knows how to get out of the Prison Pit. A huge success in the alternative-comics field, with the first two volumes already in second printings, Prison Pit is Johnny (Angry Youth Comix) Ryans ongoing taboo-busting sci-fi-prison-planet-body-muta-tion-splatterfest epic extravaganza, beloved by everyone from the legendary Gary Panter (GLOREGEFULL!) to Booklist (Not to be missed). In the latest installment, our hero Cannibal F**kface still isnt dead, so the Prison Boss plays what may be his last card: The Holocaust Brothers. But before CF battles the Ho-Bros hes got to destroy his arch-enemy, the seemingly indestructible Slitt, who happens to be the only one who knows how to get the hell out of the Prison Pit. The author promises: Every single testicle in the world will explode with rage when Prison Pit 5 is unleashed. Black white
