With the numerous CPT code changes expected in 2010, the most novice to experienced coders will have questions and the Ingenix Coders Desk Reference for Procedures provides the coding and clinical expert you can keep at your side to find the answers you need. The comprehensive resource for all 2010 CPT codes, this all-inclusive tool helps identify the minute differences between, and components of, similar CPT codes. You ll code more accurately from operative reports and produce cleaner claims the first time by improving your understanding of the clinical meanings behind the codes and checking billing and coding information for Medicare. Plus, this reference is ideal for training new coders and medical staff in the CPT coding system. CPT is a registered trademark of the American Medical Association.
