Marilyn Winterton Edmunds PhD ANP/GNP : Procedures for the Primary Care Provider, 3e before purchasing it in order to gage whether or not it would be worth my time, and all praised Procedures for the Primary Care Provider, 3e:

2 of 3 people found the following review helpful. 1/4 the value for the moneyBy SusanI couldn't find my previous version of this book so I bought a new one. This one has 1/4 the procedures as my edition and is 1/4 as thick. If you are looking for slimline I guess this is the book for you. I prefer my old one with many more procedures outlined. I'm glad I found my old one! This one will most likely gather dust.
