MD Robert J. Marder, MD, JD Todd Sagin, MD Mark A. Smith : Proctoring and Focused Professional Practice Evaluation: Practical Approaches to Verifying Physician Competence before purchasing it in order to gage whether or not it would be worth my time, and all praised Proctoring and Focused Professional Practice Evaluation: Practical Approaches to Verifying Physician Competence:

0 of 1 people found the following review helpful. This book is thorough if you need to understand the ...By travlr4800This book is thorough if you need to understand the credentialing process for doctors and hospitals. The seller accurately described the condition and I received it in the stated shipping time.

HCPPro is proud to bring you Proctoring and Focused Professional Practice Evaluation: Practical Approaches to Verifying Physician Competence. This book is designed to help develop or strengthen proctoring or FPPE programs at your facility. Proctoring and Focused Professional Practice Evaluation provides the ideal foundation for hospitals in dealing with the new material represented in the JCAHO s MS.4.30 on focused professional practice evaluation. With new techniques and equipment becoming available at a rapid rate, ensure that your medical staff physicians are qualified to practice in their respective specialty areas and perform the procedures for which they request privileges.
