**Ellen Richter Ettinger OD MS FAAO : Professional Communications in Eye Care, 1e** before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Communications in Eye Care, 1e:

1 of 1 people found the following review helpful. Professional CommunicatioBy C. BoaldinMost of the information is

common sense, but for the new optometry student is gives helpful scripts for patient interactions.

A must-have reference to develop effective communication skills to optimize the delivery of clinical care. Specific strategies for interaction are discussed and illustrated in clinical case studies.\* - Basic text describing effective doctor-patient communications \* - Contains over 80 case studies illustrating the application of effective communication skills in clinical situations \* - Suggests strategies for better communication in difficult clinical situations, including when delivering bad news, when interviewing pediatric, geriatric, psychiatric, or other special patient populations
