Patricia Schnering : Professional Review Guide for the CCA Examination, 2015 Edition (with Premium Web Site, 2 terms (12 months) Printed Access Card) before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Review Guide for the CCA Examination, 2015 Edition (with Premium Web Site, 2 terms (12 months) Printed Access Card):

6 of 6 people found the following review helpful. Pass CCA exam using this bookBy CustomerAn excellent reference book for CCA exam and I used it to pass my exam in Jan 2016. The coding content of the website should upgrade to ICD-10-CM and ICD-10-PCS.1 of 1 people found the following review helpful. Many errors.By ConnieThis book contains many errors. We used this book in the coding class I took. We marked all the wrong questions and had to mail a letter to the publisher because it was crazy how many errors this book contained. Since this book comes out

every year, I speculated that the publisher did not even bother hiring a proofreader or fact checker and sent the book right to print. I am also imagining those errors are on the certification test, if the author has anything to do with it. Since we are not given the wrong answers for the certification testing to dispute or study for future exams, I imagine a lot of people may have failed their exam due to this person printing false or incorrect information, or at the very least, the exam having the wrong answers also. 4 of 4 people found the following review helpful. Best CCA review ever! By Betty's Boop Better-Half Book is comprehensive and more. It will test on all the basic information you need to know.

Take your career to the next level with **PROFESSIONAL REVIEW GUIDE FOR THE CCA EXAMINATION, 2015 EDITION**, an essential, effective preparation tool for the American Health Information Management Association's (AHIMA) Certified Coding Associate (CCA) exam. This review guide gives you practice interpreting documentation and applying your knowledge by assigning codes to diagnoses and procedures for a variety of patient settings. Use the online quizzing tool to create quizzes, sort quiz content by subject area or domain, and set time limits for exams. You'll have a more personalized exam preparation experience with **PROFESSIONAL REVIEW GUIDE FOR THE CCA EXAMINATION, 2015 EDITION**.

"Yes, the book does a very good job of revisiting all the material taught in the program, my students have been very successful in passing the CCA exam." "Yes, I found this book and the questions are even better than the AHIMA study guide" About the Author Patricia Schnering is an adjunct instructor of HIM at St. Petersburg College, and serves on its advisory board. In addition to experience as an HIM supervisor and consultant, she is the founder and owner of PRG Publishing Inc., where she published the first Professional Guides. Ms. Schnering has served as president of GCHIMA and on FHIMA's board of directors, where she twice received the FHIMA Literary Award. She is also a member of AHIMA and the Assembly on Education (AOE). In addition to a B.S. in business administration from the University of South Florida, she is a graduate of the health information management program at St. Petersburg College, and holds both CCS and RHIA certifications.
