Five StarsBy D EagenGood information.1 of 1 people found the following review helpful. Avoid unless book is an absolutely required text.By Wing WalkerThis was a required purchase for a CCS examination review course. The CCS examination is given by AHIMA and AHIMA's CCS prep book covers all the materials needed to sucessfully pass the exam. Plus the AHIMA book is nearly half the price of

this book. Unless you must buy this book, don't; the AHIMA book is a far better value.

**Unmatched Test Prep:** A variety of self-assessment tools prepare students for the certification exam, including recommended resources, general study tips, multiple-choice coding questions, coding case studies for various health settings, mock examinations, and competency maps to help students target their efforts and self-assess progress.

**About the Author** Patricia Schnering is an adjunct instructor of HIM at St. Petersburg College, and serves on its advisory board. In addition to experience as an HIM supervisor and consultant, she is the founder and owner of PRG Publishing Inc., where she published the first Professional Guides. Ms. Schnering has served as president of GCHIMA and on FHIMA's board of directors, where she twice received the FHIMA Literary Award. She is also a member of AHIMA and the Assembly on Education (AOE). In addition to a B.S. in business administration from the University of South Florida, she is a graduate of the health information management program at St. Petersburg College, and holds both CCS and RHIA certifications.
