Patricia Schnering : Professional Review Guide for the CCS Examinations, 2016 Edition (Book Only) before purchasing it in order to gage whether or not it would be worth my time, and all praised Professional Review Guide for the CCS Examinations, 2016 Edition (Book Only):

1 of 1 people found the following review helpful. One StarBy CustomerFulll of errors; wrong answers, wrong codes etc.

Take your career to the next level with PROFESSIONAL REVIEW GUIDE FOR THE CCS EXAMINATION, 2016 EDITION, an essential, effective preparation tool for the American Health Information Management Association's (AHIMA) Certified Coding Specialist (CCS) exam. This review guide gives you practice interpreting documentation and applying your knowledge by assigning codes to diagnoses and procedures for a variety of patient settings. Content

has been thoroughly updated with ICD-10-CM content to map to the latest AHIMA exam domains. Use the online quizzing tool to create quizzes, sort quiz content by subject area or domain, and set time limits for exams. You'll have a more personalized exam preparation experience with **PROFESSIONAL REVIEW GUIDE FOR THE CCS EXAMINATION, 2016 EDITION**.

"I do recommend this book to colleagues for adoption in their coding certificate programs and to individuals studying for the CCS examination. The review book is well organized and describes the necessary content areas the learner needs to study. The general and specific questions provide what is expected on the examination." "it is the best study tool available to prep for the CCS. When I took my CCS examination, this is my primary study method." About the Author Patricia Schnering is an adjunct instructor of HIM at St. Petersburg College, and serves on its advisory board. In addition to experience as an HIM supervisor and consultant, she is the founder and owner of PRG Publishing Inc., where she published the first Professional Guides. Ms. Schnering has served as president of GCHIMA and on FHIMA's board of directors, where she twice received the FHIMA Literary Award. She is also a member of AHIMA and the Assembly on Education (AOE). In addition to a B.S. in business administration from the University of South Florida, she is a graduate of the health information management program at St. Petersburg College, and holds both CCS and RHIA certifications.
