**PhD James Henry, AuD Tara Zaugg, PhD Paula Myers, PhD Caroline Kendall : Progressive Tinnitus Management: Clinical Handbook for Audiologists** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Progressive Tinnitus Management: Clinical Handbook for Audiologists:

This textbook describes PTM in detail. Minimal background information is provided with the focus on describing the clinical procedures for conducting PTM. The handbook includes 25 separate appendices to facilitate the clinical implementation of PTM with the appropriate flowcharts, procedural guides, questionnaires, patient handouts, and

forms. A CD and DVD are included.
