The story is excellent but the potential knowledge to gained is greater!0 of 0 people found the following review helpful. My Favorite Comic Book Series of All Time.By Lawrence G. Dillard, Jr.Alan Moore is the best comics writer in the

world. This story is not your average super hero schlock. It is tripped-out, sex, drugs, and rock and roll. It pushes the boundaries of imagination and creativity and takes you way beyond. This is Alan's most beloved, and most artistic comic series that he has ever produced, and that is really saying something. It is his love-child. The lead character is female and she merges with power of imagination to become a goddess. Get books 1 through 5. Part 5 (the ending) is the best. The artwork by J.H. Williams III is amazing, psychodelic brilliance. 0 of 0 people found the following review helpful. Beautiful illustration, well written. By FaeMayhem I adore this entire series. Especially interesting for those with interest in Thelema/OTO/Kabbalah leanings. Beautiful illustration, well written. book itself bound well.
