**Allan Fine : Provider Sponsored Organizations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Provider Sponsored Organizations:

This text enables the reader to develop an understanding of the regulatory, legal, and operational issues critical to forming a PSO. It explains the advantages and pitfalls of PSO risk assumption - and the factors necessary for success. It shows how the reader can assess their strengths and weaknesses to see if a PSO is right for their delivery system. It also explains how to qualify as a PSO.

About the AuthorFine is senior manager in Ernst Young LLP's Health Care Consulting Group at Chicago.MICHAEL R. FINE is Director of Client Services and a founder of Centercode, an application service provider focused on providing tools and services that enable businesses to improve their products through effective beta testing. He is the former beta test manager for 3Com Corporation.
