Robert W. Smith Ph.D., Thomas D. Lynch Ph. D. : Public Budgeting in America (5th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Budgeting in America (5th Edition):

The most comprehensive and accurate treatment of the public budgeting process on the market, this book offers a thorough treatment of the entire subject, with an emphasis on state budgets. *Public Budgeting in America, 5/E* is user-friendly, with a no-nonsense approach that offers readers a solid theoretical treatment of key constructs that underlie public budgeting in America. It includes case scenarios, practical examples, and instructional exhibits of working budget documents and analysis, as well as supporting data to demonstrate key concepts. Topics include: budget formats and preparation; modern budgeting; budget behavior; applied analysis; processing; operating budgets and accounting; capital budgeting and debt administration; revenue systems; and internal service functions. For individuals employed in the fields of public budgeting, financial management, and public finance.
