Nancy Milio : Public Health in the Market: Facing Managed Care, Lean Government, and Health Disparities before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Health in the Market: Facing Managed Care, Lean Government, and Health Disparities:

Can the public health enterprise assure the conditions in which people can be healthy in an aggressively profit-oriented environment? This book examines the challenges and dilemmas, and presents potential solutions for those who work for better health in the face of competition, tight budgets and widening gaps in health and wealth.
