Vivian Lin, James Smith, Sally Fawkes : Public Health Practice in Australia: The Organised Effort before purchasing it in order to gauge whether or not it would be worth my time, and all praised Public Health Practice in Australia: The Organised Effort:

A comprehensive introduction to public health in Australia, now in its second edition. Taking an applied approach, it offers a systematic overview of the key theories, methods, priorities and players in the field. Lin and Fawkes, La Trobe University.
