**John E., M.D. Hodgkin, Gerilynn L. Connors : Pulmonary Rehabilitation: Guidelines to Success** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pulmonary Rehabilitation: Guidelines to Success:

This text covers the organization and structure of pulmonary rehabilitation programmes found in inpatient and home care settings. This edition includes new sections on historical perspectives in chronic pulmonary disease, biofeedback and ventilatory muscle training, dyspnea, laughter as therapy, respiratory physiology in health and disease and paediatric pulmonary rehabilitation.
